Craig Collins
DISTRICT ADMINISTRATOR

February 3, 2017

Dear Traver Families,

It is with a heavy heart that we share some news you may or may not already know. Our administrator, Mr. Craig Collins, suffered a stroke and has been hospitalized.

We apologize that we have been vague about inquiries parents have made about Mr. Collins. His family asked that we hold off telling the children because they did not want to upset them. However, at this point, they decided the news needed to be shared.

Mr. Collins has a long road ahead of him. We ask that you keep him and his family in your thoughts. We know that sad news affects children in different ways, so please let us know if you need any support. We will try our best to help.

If you would like to keep up with Mr. Collins' status, his family has set up a Caring Bridge webpage: www.caringbridge.org/visit/craigcollins2

The School Board has decided to appoint Mrs. Allyssa Andersen, our Technology Director, as Interim Principal. Mrs. Mary DeYoung, our former administrator, has agreed to return as our Interim Superintendent. Mrs. Kendra Mott will be taking over the technology classes that Mrs. Andersen taught.

We will do our best to continue forward as seamlessly as possible. We appreciate all of you and we thank you for being a part of our Traver family.

Sincerely,

William Leonard
Traver School Board President
