

LOCKER ROOM PRIVACY POLICY

The Linn J4 School District shall observe measures intended to protect the privacy rights of individuals using school locker rooms. The following provisions outline the extent to which that protection can and will be provided:

- Locker rooms are provided for the use of physical education students, athletes and other activity groups and individuals authorized by the building principal or the district administrator. No one will be permitted to enter the locker room or remain in the locker room to interview or seek information from an individual in the locker room at any time. Such interviews may take place outside of the locker room consistent with applicable district policies and/or school rules.
- No cameras, video recorders, cell phones, or other devices that can be used to record or transfer images may be used in the locker rooms at any time.
- Under no circumstances can a person use a camera, video recorder, cell phone, or other recording device to capture, record, or transfer a representation of a nude or partially nude person in the locker room. Any other use of a camera, video recorder, cell phone, or other recording device in the locker room requires the prior permission of the building principal or district administrator and the person being photographed, videotaped, or recorded.

Anyone who violates this policy shall be subject to school disciplinary action and/or penalties under state law or local ordinance. The building principal or designated locker room supervisor, as applicable, shall be responsible for enforcing this policy.

This policy shall be posted in district locker rooms.

The Linn J4 School District shall not discriminate in the methods, practices and materials used for ensuring locker room privacy on the basis of sex, race, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation, or physical, mental, emotional or learning disability.
