

Open Enrollment Application for 2024-2025

Warning!

The state's open enrollment program allows a parent to apply to have their child attend a school district other than the one in which they reside.

The Open Enrollment program cannot be used to enroll your child in your resident school district (including 4-year-old kindergarten and 5-year-old kindergarten). Contact your resident school district for enrollment information.

**Welcome! The Open Enrollment process is only open from
Monday, February 5, 2024 to Tuesday, April 30, 2024 at 4:00 PM.
Late applications will not be accepted for any reason.**

How to Apply

Before getting started, we recommend reading the information found in the [FAQs](#) especially if:

- you're planning to move before the beginning of the school year,
- you're applying for early childhood or 4-year-old kindergarten,
- you're interested in the denial and appeals process.

If you wish to apply to a virtual charter school, please see our [Virtual Charter Schools](#) page for a list of those schools and the school districts in which they are located.

Once your application has been submitted, you will be able to correct it via this website until 4:00 PM on Tuesday, April 30, 2024, so please be sure to write down the ID and password that you use. Missing or inaccurate information can cause problems handling the application and may even cause an approved open enrollment to be voided at a later date.

If you currently have students that are open-enrolled and have questions about whether they need to reapply, please review our information regarding [reapplication](#).

If you have questions about the open enrollment program, please call an open enrollment consultant at (888) 245-2732, or [Contact Us](#).

Select Your "Resident School District"

Your resident school district is where you will be **LIVING** on **September 20, 2024**.

Indicate your **Resident** School District: ▼

- This is not the district to which you are applying.
- Getting this step correct is critical. Your "resident school district" will pay for your open enrollment and is required to be notified that you have applied to one or more different school districts for your children.
- BE AWARE that school district boundaries **are not the same as town, village, city or county** boundaries. If you are unsure of the school district in which your home is or will be located, contact the municipal clerk (e.g. city hall), then confirm with a phone call to the school district. If you own your home, the name of the school district is on your property tax bill.
- CAUTION: Be sure you select the correct resident district from the drop-down list. Many school districts have similar names and this has been a cause of many errors.
- If **you are not sure** where you will be living on **September 20, 2024**, please read [Important Information If You Are Planning to Move](#) before continuing.
- **WARNING!** The Open Enrollment program cannot be used to enroll your child in your resident district. Contact your resident district for enrollment information!

Review School District of Residence

Please review the school district that you chose as your "resident district" - the school district where you will be living.

Appleton Area School District

120 E Harris St
Appleton, WI 54911

(920) 832-6115
(920) 832-1747 fax

Again, this should be the school district where you expect to be **living** on **September 20, 2024**. This is not the district to which you are applying.

- If you move to a different address, but it is still in the same resident district above, your application will not be affected; however, you should notify both the resident district and districts(s) you are applying to attend so notices are sent to the correct address.

Eligible for Reimbursement for Transporting Your Children?

You are responsible for transporting your children to and from school in the nonresident school district.

However, Wisconsin sets aside some money every year to reimburse transportation expenses for qualifying families. If you qualify for free or reduced price meals, you may qualify to have a portion of your expenses reimbursed. The income guidelines for the Federal school lunch program in the **2023-2024** school year are listed to assist you in determining whether you may be eligible for transportation reimbursement.

Maximum Income for Reimbursement Eligibility

Household Size	Gross Monthly Income
1	\$2,248
2	\$3,041
3	\$3,833
4	\$4,625
5	\$5,418
6	\$6,210
7	\$7,003
8	\$7,795

For each additional household member over 8, add \$793

- Do you anticipate submitting a claim for transportation reimbursement?
- ☒ Yes (in a future step, you will receive an estimate of how much you might receive)
 - ☐ No (you can still change your mind later)

How Many and How Far?

Please enter how many children you will be transporting, and the number of miles in one round trip from your home to the school:

Number of students transported (estimated):

Number of miles in one roundtrip (estimated):

Example: you have a round trip from your home to the schools your 3 children are attending of 20 miles. You would enter 3 for number of students transported, and 20 for the number of miles. The estimation formula will assume you make this trip 2 times a day, so just enter the number of miles for one round trip.

Tip: To come up with an accurate number when it's time to file the claims, it may be helpful to indicate on a calendar each day you drove, as this total number of days driven will be asked for on the claim form.

You will need to submit a claim form for actual expenses at the end of the school year. The online claim form will be available by June 1 at <https://dpi.wi.gov/oe>. Claim forms must be submitted by July 15. Claims submitted after that date will not be paid.

Estimate of Transportation Reimbursement

This estimate assumes the following:

- Estimated maximum reimbursement per student = \$1,103.76
- Estimated proration factor = 15%
(to be finalized in August 2025 when final claims are calculated and paid)
- Assumes 2 round trips per day for 180 days and that all students are transported at the same time

Estimate of your reimbursement:

- A. Calculation of maximum reimbursement for the 2024-2025 school year:
 $2 \text{ students} \times \$1,103.76 = \mathbf{\$2,207.52}$
- B. Calculation of mileage cost:
 $30 \text{ miles per round trip} \times 2 \text{ round trips per day} \times 180 \text{ days} \times 0.365 \text{ per mile} = \mathbf{\$3,942.00}$
- Calculation of estimated reimbursement:
Lesser of A or B, above: **\$2,207.52**
multiplied by the 15% proration factor: $\mathbf{\$2,207.52} \times 0.15 = \mathbf{\$331.13}$

For transporting 2 student(s)
with a round trip of 30 miles,
assuming 2 round trips per day,
the estimated amount for reimbursement is **\$331.13**.

This estimate is provided to meet the requirements of Wis. Stats. s.118.51(14)(b).

It is recommended to **print and keep this page**.

Final payment will be based on actual miles and the final proration factor necessary to distribute the amount of money appropriated.

This is not a claim form. A separate claim form must be filed at the end of the school year to request transportation reimbursement.

- Once a school district has been added below, click on the "Add or Remove Kids" link to change which children are applying to attend there.

If you have previously submitted this information, please do not delete a district unless you also want to delete the application to it.

	School District	Type		Names of Kids Applying
Delete District	Kimberly Area	K-12	Add or Remove Kids	Christian, Claire
Delete District	Little Chute Area	K-12	Add or Remove Kids	Christian, Claire
Delete District	Waukesha	K-12	Add or Remove Kids	Christian, Claire

School districts are listed alphabetically. There is no option to indicate first, second, and third choice, as it is not necessary to do so. Each school district processes its open enrollment applications independently. If you are approved to all three of your choices, you can decide which approval to accept.

Preferred Programs and Schools?

- **If you are applying to a virtual charter school, you MUST select it from the drop-down lists below under the "Preferred School" - DO NOT type the name into the comments box.** See our [Virtual Charter Schools](#) page for a list of those schools.
- **If you are not applying to a virtual charter school**, this page is **optional** - in other words, you do not need to enter anything. **However**, if you have a preference for schools or programs you may enter them below. You are not guaranteed a spot in the schools or programs you list, but they may be taken into consideration when the school district assigns the school placements.
- If you wish to request more than one school or program, enter the additional ones in the freeform space below. You may also use this space to indicate a second or third choice.

What schools and/or programs would your child prefer to attend in each school district? *(if no schools are shown, only one school exists for that grade)*

School District	Student	Applying to Grade	Preferred School	To enter additional choices or if your preferred school is not on the dropdown list to the left (e.g. 4K program at a daycare), enter the school name below.	Limit To?
Kimberly Area	Christian Matthew Curry	03	Westside Elementary ▼	<input type="text"/>	<input type="checkbox"/>
Kimberly Area	Claire Marie Curry	KG	Westside Elementary ▼	<input type="text"/>	<input type="checkbox"/>
Little Chute Area	Christian Matthew Curry	03	Little Chute Elementary ▼	<input type="text"/>	<input type="checkbox"/>
Little Chute Area	Claire Marie Curry	KG	Little Chute Elementary ▼	<input type="text"/>	<input type="checkbox"/>
Waukesha	Christian Matthew Curry	03	eAchieve Elementary ▼	<input type="text"/>	<input checked="" type="checkbox"/>
Waukesha	Claire Marie Curry	KG	eAchieve Elementary ▼	<input type="text"/>	<input checked="" type="checkbox"/>

If you are **ONLY interested in the school or program** on each line, you may check the "Limit To" box on the same line, and the school district will only consider that school or program. However, leaving it blank will keep your options open, as your child, once in the school district, may be able to transfer into the schools or programs that you prefer.

If you check the "Limit To" box at the end of a line, you are agreeing/telling that particular school district the following:

"I wish my child to be considered **only** for the specific school or programs indicated. I understand that if space is not available in this school or program, my application may be denied even if there is space in other schools in this school district."
